## Optional Tour Program

Our Persian food tours are a half day adventure, making it perfect to add to even the tightest schedules in Tehran. We'll meet at Tajrish and start with a walking tour of Tajrish bazaar where we'll introduce our guests to exceptional ingredients and spices unique to this part of the world while we experience shopping for a few fresh ingredients like the locals. Then we'll head over to the kitchen where Shirin will show us her magic in creating the most delectable Persian dishes. After a small introduction we'll get ready to start cooking a 5 course meal adjusted to the season and enriched with the freshest ingredients. We're here to make sure every single dish is garnished to perfection.

Once the wafting aroma of the delicious meal dissipates the kitchen, we'll set the table and gather for a huge Persian feast as we chat and exchange experiences.

### **Cost: €98.00 - per person**

We can arrange for a minimum 6 and maximum of 10 people. Our tours will start at 9 am and end at 3 in the afternoon. **Inclusions:**

- Guided culinary walk of Tajrish bazaar.
